

CENTRAL AND EASTERN EUROPEAN ILD EXPERT FORUM 2024

Our annual meeting is approaching, and we look forward to welcoming you all in the beautiful city of Zurich, Switzerland for our ILD Expert Forum on December 6 and 7.

This year has brought incredible developments and advancements in the area of pulmonary fibrosis that we are excited to share and discuss during our 1.5 day meeting.

Agenda

The latest updates will be shared through a series of lectures and panel discussions, led by the experts in the CEE region:

P. Boros		V. Müller	
O. Distler (Chair)		J. Oldham	
F. Moazedi-Fürst		P. Ostojic	
A. M. Hoffmann-Vold		H. Prosch	
O. Kowal-Bielecka		M. Wijsenbeek (Chair)	
D. Lang		M. Koziar Vašáková	
M. Funke-Chambour (Chair)		L. Ebner	

In addition to exciting lectures and panel discussions, we are also looking forward to interactive case discussions, workshops and 'ask-the-expert' sessions. You can view a teaser of the content below, with a full agenda to follow very soon:

DAY 1

Friday, December 6
 09:00 – 17:15

- ILD guidelines and their implementation into clinical practice
- Latest learnings from regional projects & real world evidence
- Deciphering the patient journey
- Interactive workshops

DAY 2

Saturday, December 7
 08:30 – 12:45

- Clinical game changers in pulmonary fibrosis
- New developments: evolving clinical trial design and precision medicine
- Meet the experts

Venue and Hotel

RENAISSANCE ZURICH TOWER HOTEL

Turbinenstrasse 20, Zurich, Switzerland, 8005
20 minute drive from Zurich Airport

A staffed Boehringer Ingelheim **Hospitality Desk** will be available in the hotel lobby if you require any assistance.

We are looking forward to welcoming you in Zurich, which promises to be a great opportunity to gain valuable insights about the latest advancements in pulmonary fibrosis and interact with other experts in the field!

Best wishes,
Your Boehringer Ingelheim RCV Team
